VIDEO EDITOR & AI ARTIST

Bariş Kaan Kapucu

I focus on video editing and visual content creation using AI tools. I manage editing and visual production for YouTube, social media and animation projects.

Videographer - AI Artist

September 2025 - Present

Adisebaba Animasyon

- Set up lighting and cameras for the Alper Kul channel, filmed with the team and edited videos in Adobe Premiere Pro.
- Designed characters with Midjourney and environments and scenes with Nano Banana and Seedream for the Adisebaba Masal channels. Created animated stories using MiniMax, Seedance, Kling and Flow, generated character voices with ElevenLabs and handled sound design.
- Created sound design for story and fairy-tale content in Adobe Premiere Pro.
- Created character and scene visuals with Nano Banana for brand and corporate commercials, then generated videos using Kling and Seedance.
- Produced Instagram Stories, carousels and Reels for Sanofi's AI influencer account. Used Nano Banana for images, Kling and Seedance for videos, and HeyGen during the initial phase.
- Designed characters and environments with Nano Banana to maintain visual continuity in an ongoing feature film project. Continue to produce videos using Seedance and Kling.
- Filmed and edited videos for the Giochi Preziosi Türkiye YouTube channel.

Videographer

September 2023 - February 2025

Adisebaba Animasyon

- Set up lighting and cameras and filmed for Müjdat Gezen ile Bizim Ev on YouTube. Edited videos in Adobe Premiere Pro and designed thumbnails in Adobe Photoshop.
- Edited the Ali Poyrazoğlu ile Gölgede Muhabbet program.
- Edited YouTube Shorts for the Sevimli Dostlar channel.
- Created short clips from longer content and designed their thumbnails.
- Edited videos and designed thumbnails for food channels.
- Edited live-action stories produced at Adisebaba.
- Filmed and edited videos for the Giochi Preziosi Türkiye YouTube channel.

Mobile App Management and Design

August 2021 - November 2025

Freelance

- Managed content uploads, daily content updates and push notifications for mobile apps.
- Managed app store listings and ran app advertising campaigns on Meta.
- Handled client communication and email correspondence.
- Designed visual interfaces and in-app graphics for mobile apps.

Video Editor

June 2021 - January 2022

Merzigo Dijital

- Edited videos in Turkish and other languages for the social media accounts of TV series and competition shows broadcast on national channels.
